

Swing Glass Door Merchandiser Refrigerator and Freezer

Functional Aspect

- **HC Refrigerant:** Utilizes environmentally-friendly HC refrigerant.
- **CFC-Free Refrigerant and Foam:** Incorporates CFC-free refrigerants and foaming materials, aligning with eco-friendly practices.
- **Electronic Thermostat with Digital LED Temperature Display:** Features an electronic thermostat equipped with a digital LED temperature display for precise control and effortless temperature monitoring.
- **Self-Closing Door:** The door is designed to automatically close, enhancing convenience and energy efficiency.
- **Tool-Free Replacement of Magnetic Gasket:** The magnetic gasket can be replaced without the need for any specialized tools.
- **Low-E Triple Pane Glass Doors:** Incorporates energy-efficient Low-E triple pane glass doors, which provide superior insulation and contribute to energy savings.
- **External:** Powder-Coated Steel White, Plastic Top Sign Panel With Lamp
- **Internal:** Powder-Coated Steel White
